

# Crystal clear pool water ...effortlessly

Finally, you can enjoy sparkling clean water and minimal maintenance with pool filters from Pentair. With a broad selection of high efficiency, large capacity filters to choose from, we're sure to have the perfect filter for your pool.

- **Clean & Clear® Plus Filter**—Combines crystal clear clarity with cartridge convenience. Maintenance is a snap. Just open the top. Remove the cartridge. Hose it off. Put it back in. That's it.
- **Sand filters with ClearPro Technology®**—Remove particles up to five times smaller than traditional sand filters, well below what your eye can detect for water that truly sparkles.
- **Quad D.E.® filter**—Provides the highest water clarity of diatomaceous earth (D.E.) with the convenience and easy-cleaning features of a cartridge filter. Four easily accessible and removable cartridges maximize cleaning capacity.

**Let us recommend a nearly maintenance-free filter that's just right for your pool and spa.**
